UNIT FRONTAGE & DESIGN GUIDELINES
(COMMERCIAL UNITS)
02/02/2021

1. INTRODUCTION

This document is intended to communicate the standards and the guidelines to be followed by the tenants occupying commercial units on ground floor of community center building.

2. GENERAL GUIDELINES

- Frontage refers to the front side, towards the corridors where entrance to the unit is located.
- This guideline is applicable to all commercial units in community center.
- Drawings (refer to the drawings requirement) should be submitted to HDC for approval.
- Any onsite works should be carried after HDC approves the design drawings.

3. FAÇADE

- The predominant material for façade shall be frameless glass. This is to ensure liveliness of the commercial front and surrounding.
- The front frameless glass area can be covered by a sticker/frosting/opaque material, according to branding preference.
- A roller shutter door can be used to close at the end of business hours.
- Minimum height of the entrance door should be 2.1m.
- All units must have disability access of 1:12 slope & strictly not less than 1:10 provided within the units. However, for the ground floor unit accessibility ramps can be managed in the walk way in front of the unit but not more than 2m.
- If the tenant requires a name board to be projected to the walk way perpendicular to the façade, it should not be projected more than 550mm and in a clear height of 2.5m from the floor finish level of walkway. Each unit is strictly entitled to and limited to one number of such projections. Any name board or signage can be fixed or stamped directly to the slab or facade.
- A provision space for a frontage name board is allocated in front of each unit. (Refer to attached drawing)
- If a tenant needs to install a security camera, a dome type camera is allowed to be placed on the façade.
- All AC outdoor units need to be fixed within the boundary of the unit venting towards the side setbacks. (Prior approval of drawing required).
- Access to services (if any), need to be provided when finishing.

4. DRAWING REQUIREMENT

Drawings should be submitted to HDC for approval. Below are the minimum requirements required for approval

- Detailed Floor Plans with dimensions
- Exterior & interior elevations
- Services drawings fit to guidelines set by relevant authorities and approved by them.
- Fire drawings approved by MNDF.
- Structural drawings, if any such changes are proposed (should be signed by a Certified Structural Engineer)
- Electrical load calculations need to be submitted for commercial units that uses high voltage such as (but not limited to) supermarkets, cafe's, restaurants etc.
- The load calculations submitted, signed by a registered professional from the relevant authorities.

5. OTHERS

- The tenant should be responsible for any damages incurred to the property and/or its users in installing / modifying any component of the unit.
