SECTION I. INSTRUCTIONS TO PROPONENTS (ITP)

			A. GENERAL
1.	Scope of Proposal	1.1	The Lessor; HOUSING DEVELOPMENT CORPORATION LIMITED an incorporated limited liability company operating under the registration number C793/2008 and having its registered office at HDC Building, 3rd Floor, Hulhumalé Republic of Maldives (hereinafter called and referred to as "the Lessor",) issues this Request for Proposal (RFP) for Project specified in Section V. Lessor's Requirements. The name of the Project and Proposal Reference Number of this RFP is provided in the RFP Data Sheet.
		1.2	 Throughout this RFP Documents: (a) the term "in writing" means communicated in written form and delivered against receipt; (b) except where the context requires otherwise, words indicating the singular also include the plural and words indicating the plural also include the singular; and (c) "day" means calendar day.
2.	Corrupt and Fraudulent Practices	2.1	 It is requirement of Lessor that proponents, suppliers, contractors and their agents (whether declared or not), sub-contractors, sub-consultants, service providers or suppliers, and any personnel thereof, observe the highest standard of ethics during RFP process and execution of Works. In pursuance of this policy, the Lessor: (a) defines, for the purposes of this provision, the terms set forth below as follows: (i) "Corrupt practice" means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the

procurement process or in contract execution; and

- (ii) "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of HDC, and includes collusive practice among Proponent (prior to or after Proposal submission) designed to establish Proposal prices at artificial noncompetitive levels and to deprive HDC of the benefits of free and open competition.
- (b) will reject a proposal for award if it determines that the proponent recommended for award, or any of its personnel, or its agents, or its subconsultants, sub-contractors, service providers, suppliers and/or their employees, has, directly or indirectly, engaged in corrupt or fraudulent practices in competing for the contract in question.
- (c) will sanction a firm or individual, at any time including declaring such firm or individual ineligible, either indefinitely or for a stated period of time: to be awarded a contract from Lessor.
- (d) will terminate the contract after having given fourteen (14) days' notice to the Proponent.

A Proponent must be a registered business (sole
3.1 trader, partnership or limited liability company) – subject to ITP 3.2 and ITP 3.3.

Unless otherwise specified in the RFP data sheet, in case a Joint Venture (JV) is proposed by Proponent(s) the minimum percentage of equity share proportion of local partner(s) in a JV shall not apply.

DEVELOPMENT AND OPERATIONS OF A POOL CLUB AT RUHGADU 2

	19.1	Information relating to the evaluation of proposals, comparison of proposals and recommendation of contract award shall not be disclosed to Proponents or any other persons not officially concerned with the RFP process until information on Contract award is communicated to all Proponents in accordance with ITP 28.
19. Confidentiality	19.2	Any attempt by a Proponent to influence the Lessor in the evaluation of the proposals or Contract award decisions may result in the rejection of its proposal.
	19.3	Notwithstanding ITP 20.2, from the time of proposal opening to the time of Contract award, if a Proponent wishes to contact the Lessor on any matter related to the RFP process, it shall do so in writing.
20. Clarification of Proposals	20.1	To assist in the examination, evaluation, and comparison of the proposals, and qualification of the Proponents, the Lessor may, at its discretion, ask any Proponent for a clarification of its proposal, giving a reasonable time for a response. Any clarification submitted by a Proponent that is not in response to a request by the Lessor shall not be considered. The Lessor's request for clarification and the response shall be in writing. No change, including any voluntary increase or decrease, in the prices or substance of the proposal shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the Lessor in the evaluation of the proposals, in accordance with ITP 24.
	20.2	If a Proponent does not provide clarifications of its proposal by the date and time set in the Lessor's request for clarification, its proposal may be rejected.

21. Deviations, Reservations, and Omissions	21.1	 During the evaluation of proposal, the following definitions apply: (a) "Deviation" is a departure from the requirements specified in the RFP Documents; (b) "Reservation" is the setting of limiting conditions or withholding from complete acceptance of the requirements specified in the RFP Documents; and (c) "Omission" is the failure to submit part or all of the information or documentation required in the RFP Documents.
	22.1	The Lessor's determination of a proposal's responsiveness is to be based on the contents of the proposal itself, as defined in ITP 9.1.
	22.2	A substantially responsive proposal is one that meets the requirements of the RFP Documents without material deviation, reservation, or omission.
22. Determination of Responsiveness		A substantially responsive proposal is one that meets the requirements of the RFP Documents without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that, (a) if accepted, would
	22.3	(i) affect in any substantial way the scope, quality, or performance of the Works specified in the Contract; or
		 (ii) limit in any substantial way, inconsistent with the RFP Documents, the Lessor's rights or the Proponent's obligations under the proposed Contract; or
		(b) if rectified, would unfairly affect the competitive position of other Proponents presenting substantially responsive proposal.

	If a proposal is not substantially responsive to the
22	requirements of the RFP Documents, it shall be rejected by the Lessor and may not subsequently be made responsive by correction of the material deviation, reservation, or omission.
	Provided that the proposal is substantially responsive, the Lessor shall correct arithmetical errors on the following basis:
23 . Correction of	 (a) if there is a discrepancy between the plot/unit price and the total price that is obtained by multiplying the plot/unit price and quantity, the plot/unit price shall prevail and the total price shall be corrected, unless in the opinion of the Lessor there is an obvious misplacement of the decimal point in the plot/unit price, in which case the total price as quoted shall govern and the plot/unit price shall be corrected;
Arithmetical Errors	(b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
	(c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.
23	Proponents shall be requested to accept correction of arithmetical errors. Failure to accept the correction in accordance with ITP 23.1, shall result in the rejection of the Proposal.
. Evaluation of 24 Proposal	The Lessor shall use the criteria and methodologies 1 listed in Section III Qualification and Evaluation Criteria.

	24.2	In the event, the difference in total evaluation scores of two or more Proponent is less than 3%, the proponent proposing the highest revenue (Net Present Value) will be ranked highest among the Proponents with less than 3% and the rest of the Proponents within this range will be ranked accordingly.
25. Lessor's Right to Accept Any Proposal, and to Reject Any or All Proposal	25.1	The Lessor reserves the right to accept or reject any proposal, and to annul the RFP process and reject all proposal at any time prior to contract award, without thereby incurring any liability to Proponents. In case of annulment, all proposals submitted and specifically, bid securities, shall be promptly returned to the Proponents.
	F.	AWARD OF CONTRACT
26. Award Criteria	26.1	Subject to ITP 25.1, the Lessor shall conditionally award the Contract to the Proponent(s) whose proposals has been determined to be substantially responsive to the RFP Documents and scored the highest marks as specified in ITP 24 provided further that the Proponent is determined to be qualified to
		perform the Contract satisfactorily.
	26.2	perform the Contract satisfactorily. In case multiple plots/units are specified in Section V, the Lessor shall conditionally award the Contract to the Proponents as per evaluation ranking subject to ITP 26.1
27. Plot Selection	26.2 27.1	In case multiple plots/units are specified in Section V, the Lessor shall conditionally award the Contract to the Proponents as per evaluation ranking subject

	28.2	Until a formal contract is prepared and executed, the successful Proponents' proposal and the notification of conditional award shall constitute a binding Contract.	
	28.3	Failure of the successful Proponent to fulfill the obligations in ITP 29 and ITP 30 or sign the Contract in accordance with ITP 31 shall constitute sufficient grounds for the annulment of the conditional award and forfeiture of the bid security. In that event the Lessor may award the Contract to the next highest evaluated Proponent whose offer is substantially responsive and is determined by.	
29. Performance Guarantee	29.1	Within 30 (thirty) days of the receipt of notification of conditional award from the Lessor, the successful Proponent shall furnish the Performance Guarantee as specified in the Section VI Contract Terms. If the performance security furnished by the successful Proponent is in the form of a bond, it shall be issued by a bonding or insurance company that has been determined by the successful Proponent to be acceptable to the Lessor. A foreign institution providing a bond shall have a correspondent financial institution located in the Lessor's Country.	
30. Acquisition Fee	30.1	Within 30 (thirty) days of the receipt of notification of conditional award from the Lessor, the successful Proponent shall pay acquisition fee as specified in Section VI Contract Terns.	
31. Concept Drawing	31.1	Within 30 (thirty) days of the receipt of notification of conditional award from the Lessor, the successful Proponent shall submit concept drawing in accordance with Section V. Lessor's Requirements.	
	31.2	In case the Proponent is required to submit the concept drawing in Section IV. Business Proposal Requirement, the Lessor will review the submitted concept drawing and if required provide comments for concept drawing along with the notification of	

		conditional award. The successful proponent shall rectify the concept drawing and submit revised concept drawing within 14 (fourteen) days of the receipt of notification of conditional award from the Lessor.
32. Signing of Contract	32.1	Promptly upon notification of the conditional award, the Lessor shall send the successful Proponent the Contract.
	32.2	Within 7 (seven) days of the success fulfilment of the obligation stipulated in ITP 28, ITP 29 and ITP 30, successful Proponent shall sign the Contract with Lessor.

5. PLANNING AND DEVELOPMENT GUIDLINE

(Refer to Next Page)

HULHUMALÉ PLANNING & DEVELOPMENT GUIDELINE: RUH'GANDU II CLUBHOUSE DEVELOPMENT GUIDELINE

1. INTRODUCTION

- 1.1. This guideline will be applicable to the commercial plot allocated for the development of a clubhouse in Ruh'gandu II of Hulhumalé Phase I.
- 1.2. Prior drawing and construction approvals need to be obtained from HDC before the construction of any building in Hulhumalé.
- 1.3. Prior building permit for building use needs to be obtained from HDC once the construction works have been completed for any such building.
- 1.4. Concept level drawings (site plan showing the surrounding context, floor plans, conceptual sections and elevations, and 3D model), and spatial layout, showing the overall classifications and requirements of the development must be submitted to HDC for comments before proceeding to final architectural and structural drawings.
- 1.5. The final detail drawing approval and related construction approvals need to be obtained from HDC before the construction of any building in Hulhumalé.
- 1.6. The final detail drawing set should be signed and stamped by a registered local architect/structural engineer.
- 1.7. Under these guidelines, a building is defined to be a constructed dwelling that is not movable/portable within a given plot, and one that is finished using different materials and is constructed to a certain standard that is acceptable to HDC.
- 1.8. A detailed breakdown with the list of spaces and the area allocated for the spaces must be provided with each stage of the submission.

- 2. Location plan
- 3. Site plan showing the surrounding context
- 4. Parking layouts
- 5. Vehicular and pedestrian circulation layout addressing the surrounding context
- 6. Floor plans, sections and elevations
- 7. Relevant blow-up details
- 8. Proposed material schedule and mood board
- 9. Interior and exterior perspective images (3D rendered visuals)

B. <u>STRUCTURAL</u>

Structural concept will include the following drawings and documents;

- Layout plan drawing showing the structural members (such as column, beam, slabs, sheer wall. etc.) with estimated size & location. Details regarding selection of member size without effecting architectural concepts. (Details of clear heights achieved in specific locations can be highlighted)
- 2. A report stating:
 - a) Pro and cons of the preferred structural system with respect to the architectural design.
 - b) Explain the structural system in relation to structure's durability for the intended lifetime of the building.
 - c) Explain the Structural design including the design code, design parameters (considered loads) & analysis method preferred by structural design engineer, details of the software(s) to be used for design, formats of design sheets (if any).
 - d) Details of proposed foundation system based on the available geotechnical parameters. It should be noted that the wind speed for the design can be obtained from local metrological department.
 - e) Assessment of the environmental conditions and the requirement that is applicable for the design with reference to code of practices. This includes, but not limited to covers to be provided for reinforcement, grade of steel, water proofing for foundation, min concrete grade with maximum water cement ratio, admixtures to be used for concrete etc. based on standards.
 - f) Minimum cement content details for different grades of concrete, in order to achieve a durable concrete for its intended life time
 - g) Details regarding fire rating of the building

C. BUILDING SERVICES

Proposals for the following systems must be submitted as a report

- 1. Air-Conditioning System and proposed locations
- 2. Mechanical Ventilation System and proposed locations
- 3. Fire Safety Design
 - a)Fire Detection and Alarm System

- b)Portable extinguisher
- c)Fire blankets
- d)Dry riser system
- e)Hose reel system
- f) Wet Riser System
- 4. Water, Drainage and plumbing proposal
- 5. Vertical Transportation Services (Lift)
- 6. Lighting and Power System
- 7. Emergency Lighting System
- 8. Earthing System
- 9. Lightning Protection System
- 10. Emergency Electrical Supply (Generator Set)
- 11. GPON in building network
- 12. Building Access Control
- 13. CCTV System
- 14. Public Address System
- 15. Carpark Barrier Gate System

1.2 DETAILED DESIGN STAGE

Detailed design will be submitted after concept design approval as follows:

- 1. Architectural drawings (by a locally registered professional architect) of all plans, elevations and major sections. (Refer to local planning guidelines)
- 2. Structural drawings and calculations, methodology (stamped and signed by a locally registered professional engineer)
- 3. Foundation protection method
- 4. Building services drawings (electrical, water plumbing and sewage, GPON, HVAC, Vertical transport, Fire Safety)
- 5. Material and finishing schedule
- 6. Local authority approvals, including but not limited to Fire Drawings and Panel board drawings.
- 7. Soil Investigation/Geotechnical Survey report (If required)
- 8. Environmental Impact Assessment report

Minimum three (3) sets of the above-mentioned drawings and documents should be submitted. Drawings Submission Form with the appropriate parts filled and signed by Registered Architect and Engineer.

1.3 SHOP DRAWINGS AND AS BUILT

The following drawings shall be submitted after completion of construction and prior to usage of the building.

- As built Architectural drawings
- As built Structural drawings
- As built Services drawings (Water, Sewage, Electrical, Ventilation & Air-conditioning, Firefighting and Communication/GPON)
- Copy of approvals given by Authorities, such as but not limited to MNDF Fire, Ministry of Health, STELCO, MEA, MWSC

With the submission of required documents, HDC would provide the necessary feedback for each stage. In giving feedbacks we would check whether if it fits the development guidelines, design guidance documents, international standards and the standards set by HDC. A two-way dialogue to attain a satisfactory level of work will be pursued. Upon submission of the documents HDC reserves a duration of 14 working days to process and provide comments or approval. A period of 14 working days will be taken to provide comments for concept drawing. If the drawings are not approved and comments are sent after checking, revised drawings are to be submitted within 14 working days. Please note that for each submission14 working days will be taken to comment. In addition to that, the duration taken to comment on Detail drawings stage will be minimum of 10 working days and maximum is 20 working days

If the party fails to correct after sending comments twice, the party needs to apply again as a new project proposal along with the application fee. This is to encourage carefulness from the client and to maximize efficiency from both stakeholders.

Once the concept drawings are approved, the detail drawings shall comply to the approved concept drawings and if in any case if there are changes to such as floor plans sections and elevations in the detail stage, a revised concept drawings approval should be submitted. It is mandatory to approve concept if the changes need to be brought to aforementioned drawings.

Physical implementation process can be initiated once drawing approval is given by HDC. Any modifications or amendments to the drawings should be informed and applied for approval prior to initiating any physical works on site which contradicts the approved drawings. Drawings and documents mentioned in shop drawings and as-built drawings can be submitted during implementation or after construction prior to applying for building usage permit. With the Successful completion and submission of the documents and drawings and after fulfilling of other mandatory requirements set by the Building Control Unit, Building Usage Permit will be awarded.

2.0 REQUIREMENTS OF THE CONSULTANT

Developer is required to hire a locally registered Project Management (PM) consultant for the quality assurance of the building. The PM consultant should be a 3rd party independent person or a firm that is locally registered under Ministry of National Planning, Housing & Infrastructure. This consultant should be unbiased in the works and while reporting to HDC. The consultant should be hired prior to the commencement of any site works. Once hired, the consultant should approve and submit a Construction Quality Management Plan (CQMP) from the Developer or Contractor before any physical works on site are carried. Duties and responsibilities of the consultant are as follows:

2.1 RESPONSIBILITIES

A. ASSURANCE OF CONSTRUCTION QUALITY

Necessary tests should be carried out on site and off site to ensure the quality of the final product. This includes, but not limited to compressive strength of concrete, tests done to ensure strength of steel, Slump test, Sieve Analysis and material specifications.

B. ASSURANCE OF FINISHING QUALITY

Consultant should ensure that the works are carried out according to the approved standards, methodologies, CQMP and drawings and if not mentioned as per the best practices followed. Consultant should also ensure that all works are carried out using approved materials which meets the standards as per the guidelines and the intended purpose for quality, safety and durability.

C. MATERIAL APPROVAL

All the materials used in the building structure, services and finishing shall be approved by the consultant. In approving the materials, the consultant shall ensure it meets the standards as per the guidelines and the intended purpose for quality, safety and durability. All the records of approved materials and its specifications should be kept and shared to HDC according to the reporting criteria.

D. APPROVE METHODOLOGIES

Prior to commencement of any construction works, Consultant should evaluate, suggest any improvements and approve method statements submitted by the developer. Consultant should ensure that the approved methodologies meet the intended purpose. All the methodology approvals should be kept on record and shared with HDC according to the reporting criteria.

E. ISSUING SITE INSTRUCTIONS

Issued site instructions should be recorded and submitted to HDC as per the reporting criteria.

F. APPROVE AS-BUILT DRAWINGS

The consultant should ensure the approved as-built drawings are accurate and meets onsite physical development.

2.2 REPORTING

All the following reports should be signed or stamped by the consultant. All the monthly reports should be submitted by the consultant before 10th of every month.

A. INTIAL REPORT

- i. Construction Quality Management Plan (CQMP)
- ii. Safety Plan
- iii. Work methodologies

B. MONTHLY REPORT

- i. Project Brief
- ii. Ongoing works and upcoming works for the next month
- iii. Overall construction progress showing the planned vs actual progress in the form of a Gantt chart
- iv. Accidents report
- v. Challenges faced during implementation
- vi. Test & Analysis reports
- vii. List of attended inspections and its reports
- viii. List of instructions given on site
- ix. Documentation of approved methodologies
- x. Documentation of approved materials

C. PROJECT COMPLETION REPORT

- i. Summary of Project
- ii. Challenges faced during the implementation
- iii. Maintenance requirements
- iv. Services systems manuals
- v. As-Built Drawings

		the Agreement.
		24.1. Upon termination HDC will take the possession of any
		immovable assets on the land.
		24.2. Any such assets should be valued at cost based on the
		BOQ and the work done.
		24.3. HDC can allocate the development to a new Lessee via
		an open RFP process, EOI process or any other
		allocation method that is in place.
		24.4. When opening up for RFP, HDC should include a base
		àcquisition cost which is agreeable to both parties but
24.	Possession of	not higher than the cost value of the asset.
	any immovable Assets	24.5. Once the development is successfully allocated to a new
		party and acquisition cost is fully recovered, HDC should
		pay to the party 80% of the acquisition cost with a
		maximum of the cost as per clause 24.2
		24.6. HDC can take 20% and any amount above the cost value
		as a compensation for the administrative work and
		lost time
		24.7. In case, HDC fails to secure a new party through an ope
		RFP process, EOI process or any other allocation method
		that is in place, the existing developer will not be entitle

	to any compensation and has to vacate the premises
	upon termination.
	25.1. Development period: Development period means
	duration from Agreement signed date to the date of
	commencing the usage of the development for the
	intended purpose.
	25.2. Construction Period: Construction period is the duration
	from land handover to the date of completion of the
	construction and finishing works.
	25.3. Hard Deadlines: Hard deadlines are the deadlines for
25. Definitions	the following tasks:
	• Date for the submission of the detailed drawings
	• Date for the completion of the construction and
	finishing works
	25.4. HDC delays: HDC delays mean any delays from HDC side
	in providing any comments or approval or land
	handover, in such a case HDC should revise the
	deadlines accordingly.

DISCLAIMER:

- This contract terms only includes the key points of the agreement. The agreement is not limited to the clauses included in this contract terms.
- The proposal submitted by the successful Proponent shall be a part of the agreement.
